## FOXTEL

## Serviced Apartments Package

Our Foxtel is the platinum package which means you get access to virtually everything Foxtel has to offer.

There are a few exceptions though. You will not have access to the channels listed below:

| 138 | Movies Previews        |
|-----|------------------------|
| 201 | 3D Channel             |
| 401 | Movies Preview         |
| 520 | Sky Racing 2           |
| 521 | Sky Racing 2           |
|     | All "On demand movies" |
|     | Adult Channels         |

Our package is "bulk supplied" therefore we cannot change the channels to suit individual needs.
